Comprehensive Crop Issurance Scheme

1376. SHRI KRISHAN KUMAR BIRLA : Will the Minister of AGRICULTURE be pleased to state :

(a) whether in view of farmers' difficulties, Government have any proposal to expand the scope of the Comprehensive Crop Insurance Scheme to cover more crops and farm products and aceas ; and

(b) if so, the details thereof and if not, the reasons therefor ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MULLAPPALLY RAMACHANDRAN) : (a) and (b) There is no proposal to expand the scope of existing Comprehensive Crop Insurance Scheme (CCIS) by covering more crops and farm products thereunder. The CCIS is an area based voluntary scheme. The implementing States/U.T. Administrations are free to notify any area for an insured crop under the scheme provided they have past yield data as also the capability of conducting 16 crop cutting experiments at the end of every season. Thus, it is for the implementing States/UT Administrations to take necessary action for increasing the area under the CCIS. However, keeping in view the demands received from the States it has recently been decided that while the existing scheme in the present form may continue, a pilot scheme covering all farmers and all crops against all risks may be implemented in one district of every State/U.T., charging actuarial rates of premia. Action has since been initiated to formulate the proposed scheme.
